

**REMARKS**

Claim 15 has been amended to correct an error of a clerical nature.

In response to the restriction requirement between the inventions of Figures 1-7 and 8-10, there are no claims specific to the invention of Figures 1-7. Therefore the restriction requirement is improper.

To satisfy the requirement to elect a single species, applicant elects the species of Figures 8-10. All claims read on the invention of Figures 8-10. Claims 6, 7 and 10-15 are generic.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
